Hi [Teacher name],

I recently discovered the writing website, [nightzookeeper.com](https://www.nightzookeeper.com).

Night Zookeeper is a digital writing platform designed to help improve writing and reading skills, whilst nurturing their ability to imagine and create. Teachers and parents can check student's progress in a simple dashboard, customise the lessons to fit with their children's needs, as well as connect them to other children around the world.

Night Zookeeper is used in schools around the world. We would love it if you would check out the website and try it with your class at school. It's free to sign up, and you just need to enter an email address to create your own teacher account.

Register here: <https://www.nightzookeeper.com/edu/teacher/register> or from www.nightzookeeper.com

Should you have any questions about the website before getting started, please do email the customer support team at: support@nightzookeeper.com

Thank you for your time and have a great day!
